- DMC Embroidery Floss, color 3824 | 1 Skeins
- DMC Embroidery Floss, color 310 | 1 Skeins
- Wooden Base Of Your Choice | At least 10 in. x 8 in. x ¾ in.
- Wire Nails ¾ of an inch | #18 gauge

### STEP 1 - DESIGN TEMPLATE

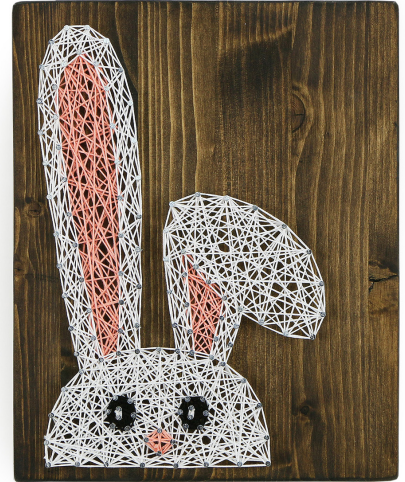

- Print the downloaded design template onto 8.5 x 11 in. paper
- Cut along the dotted lines
- Lay printed pattern in alignment and tape securely to base

### STEP 2 - HAMMERING

- Hammer nails into each of the dots pictured in design template
- Hammer nails halfway, allowing nail head to protrude 1/2 an in.

### STEP 3 - STRING THE PATTERN

- Begin by tying all six-strands of embroidery floss knot on any nail inside the inner ear. String freely. There is no wrong way to weave the thread through the nails. To change your weave, unwrap the floss.
- Knot ends of floss and remove excess when you've completed a designated color area.
